Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Amended and Restated Employment Agreements

On September 26, 2022, Lineage Cell Therapeutics, Inc. (“Lineage,” the “Company,” “we,” “us,” or “our”) entered into amended and restated employment agreements with each of its current executive officers: Brian M. Culley, George A. Samuel III, and Gary S. Hogge, DVM, Ph.D. The amended and restated employment agreements were approved by our Board of Directors, upon the recommendation of its Compensation Committee, and supersede and replace all prior employment agreements between us and these executive officers.

Mr. Culley is our Chief Executive Officer and has been employed with us since September 2018. Mr. Samuel is our General Counsel and Corporate Secretary and has been employed with us since August 2021. Dr. Hogge is our Sr. Vice President, Clinical and Medical Affairs and has been employed with us since February 2018.

The terms of the amended and restated employment agreements for each executive are substantially the same other than with respect to annual salary amount, annual bonus target percentage, and potential benefits in connection with termination of employment.

The following is a brief description of certain terms of the amended and restated employment agreements.

- Each executive receives an annual salary (which is currently \$609,000 for Mr. Culley, \$394,800 for Mr. Samuel and \$366,800 for Dr. Hogge). The annual salary may be increased from time to time by our Board of Directors or its Compensation Committee in their sole discretion.
- Each executive is eligible for an annual bonus targeted at a percentage of his then annual salary (which is currently 55% for Mr. Culley, 40% for Mr. Samuel, and 35% for Dr. Hogge). The annual bonus target percentage may be increased from time to time by our Board of Directors or its Compensation Committee in their sole discretion. The amount of an executive’s annual bonus, if any, is subject to the approval of our Board of Directors or its Compensation Committee in their sole discretion.
- Each executive may be eligible to participate in certain retirement, pension, life, health, accident and disability insurance, equity incentive plan or other similar employee benefit plans we may adopt for our executive officers or other employees.
- Each executive receives paid time off and will be reimbursed for reasonably incurred travel and business expenses, in each case, in accordance with our company policies.
- Each executive’s employment is “at will” and may be terminated at any time by the executive or us with or without cause.
- The following summarizes the payments and other benefits to which each executive may be entitled if their employment is terminated for the reason specified.

The foregoing description of the terms of the amended and restated employment agreements does not purport to be complete and is qualified in its entirety by reference to the amended and restated employment agreements, which we intend to file as exhibits to our next periodic report.

Executive Performance Incentive Bonus Plan

On September 20, 2022, our Board of Directors, upon the recommendation of its Compensation Committee, adopted an Executive Performance Incentive Bonus Plan (the “Bonus Plan”). The administrator of the Bonus Plan will be the Compensation Committee of our Board of Directors, unless our Board of Directors determines otherwise. Eligible participants will be selected by the administrator from time to time. Each participant will be eligible to receive a cash bonus. Each of our current executive officers will be a participant in the Bonus Plan.

For each participant, the administrator may establish (1) a target bonus amount (which the administrator may adjust from time to time), (2) the Company Performance Goals (as defined below) and/or individual performance goals (together, “Performance Goals”), (3) the time period over which the achievement of Performance Goals will be assessed (a “Performance Period”), and (4) the formula(s) for determining the bonuses payable under the Bonus Plan.

The administrator shall determine when a Performance Period begins and ends, but generally each fiscal year will be a Performance Period. Performance Goals may be given such weight as determined by the administrator and may differ among participants. The administrator, in its discretion, will determine the bonus amounts payable under the Bonus Plan.

Subject to any terms in any other written agreement, the payment of a bonus with respect to a Performance Period is conditioned on the participant’s continuous employment through the date of payment of such bonus.

“Company Performance Goals” means performance objectives established by the administrator for the applicable Performance Period for a participant that relate to financial and/or operational metrics with respect to the Company or any of its subsidiaries, including: developmental, clinical or regulatory milestones; clinical trial results; business development and financing milestones; acquisitions or strategic transactions; revenue; expense levels; total shareholder return; earnings before interest, taxes, depreciation and amortization; net income (loss) (either before or after interest, taxes, depreciation and/or amortization); changes in the market price of the Company’s common stock; economic value-added; sales or revenue milestones; operating income (loss); cash flow (including, but not limited to, operating cash flow and free cash flow); return on capital, assets, equity, or investment; gross or net profit levels; productivity; expense efficiency; margins; operating efficiency; customer satisfaction; publications; reimbursement decisions; working capital; earnings (loss) per share of the Company’s common stock; sales or market share; investor relations milestones; number of customers or units of products sold; and operating income and/or net annual recurring revenue any of the foregoing may be (A) measured in absolute terms or compared to any incremental increase, (B) measured in terms of growth, (C) compared to another company or companies or to results of a peer group, (D) measured against the market as a whole and/or as compared to applicable market indices, (E) measured on a pre-tax or post-tax basis (if applicable), and (F) used to measure the performance of the Company as a whole or a business unit or other segment of the Company, or one or more product lines or specific markets.

The terms of the Bonus Plan are subject to any other written agreement between a participant and us. In the event of a conflict between the Bonus Plan and any such written agreement, the terms of such written agreement will govern.

The foregoing description of the terms of the Bonus Plan does not purport to be complete and is qualified in its entirety by reference to the Bonus Plan, which we intend to file as an exhibit to our next periodic report.
