In order to help finance BioTime's entry into the field of regenerative medicine, on March 4, 2008 The Life Extension Foundation agreed to participate with other lenders in a revolving line of credit to BioTime.

Regenerative medicine is based on the discovery of human embryonic stem cells, which have the potential to produce any human cell type. These stem cells may be used in the treatment of a host of degenerative diseases by rebuilding cell and tissue functions. BioTime has recently entered the field of regenerative medicine through its wholly owned subsidiary Embryome Sciences, Inc. which plans to develop new products for use in stem cell research.

BioTime received \$100,000 from The Life Extension Foundation under an amendment of a Revolving Line of Credit Agreement that increases the amount of BioTime's line of credit to \$1,100,000. In consideration for making the additional credit available, BioTime agreed to issue 10,000 common shares to The Life Extension Foundation.

The Life Extension Foundation is a nonprofit organization that markets a wide variety of dietary supplements intended to help people live in health, youth and vigor for longer periods of time. The Life Extension Foundation is seeking methods to slow aging and prevent disease, and to uncover potential therapies to treat the degenerative diseases of aging such as Alzheimer's and Parkinson's disease, cancer, stroke, and macular degeneration.

Any party may change its address for the purpose of this Section 13 by giving notice to each other party in accordance with this Section 13.

14. Delays and Omissions. No delay or omission to exercise any right, power, or remedy accruing to a Lender, upon any breach or default of Borrower under this Credit Agreement or any other Loan Document, shall impair any such right, power, or remedy of the Lender, nor shall it be construed to be a waiver of, or an acquiescence in, any such breach or default or any similar breach or default thereafter occurring; nor shall any waiver of any single breach or default be deemed a waiver of any other breach or default theretofore or thereafter occurring. Any waiver, permit, consent, or approval of any kind or character on the part of a Lender of any breach or default by Borrower under this Credit Agreement or any other Loan Document, or any waiver of any provisions or conditions of this Credit Agreement or any other Loan Document by a Lender, must be made in writing, and shall be effective only to the extent specifically set forth in such writing. All remedies either under this Agreement or by law and otherwise afforded to any party shall be cumulative and not alternative.

15. Rules of Construction.

15.1 Titles and Subtitles. The titles or headings of the Sections and paragraphs of this Credit Agreement are for convenience of reference only and are not to be considered in construing this Credit Agreement.

15.2 Singular; Plural. Whenever appropriate in this Agreement, terms in the singular form shall include the plural (and vice versa) and any gender form shall include all others.

15.3 Section Headings. Section headings are for the convenience of the parties and do not form a part of this Agreement.

15.4 Sections and Other References. References in this Agreement to sections, paragraphs, and exhibits are references to articles, sections, and paragraphs in this Agreement and schedules and exhibits attached to this Agreement unless specified otherwise.

15.5 Severability.1.18Severability. If one or more provisions of this Credit Agreement are held to be unenforceable under applicable law, each such unenforceable provision shall be excluded from this Credit Agreement and the balance of this Credit Agreement shall be interpreted as if each such unenforceable provision were so excluded, and the balance of this Credit Agreement as so interpreted shall be enforceable in accordance with its terms.

16. Counterparts. This Credit Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument.

17. Investment Representations. Each Lender represents and warrants to Borrower that:

17.1 Lender is relying on the information provided in the Disclosure Documents or otherwise communicated to Lender in writing by Borrower. Lender has not relied on any statement or representations inconsistent with those contained in the Disclosure Documents. Lender has had a reasonable opportunity to ask questions of and receive answers from the executive officers and directors of Borrower, or one or more of its officers, concerning Borrower and to obtain additional information, to the extent possessed or obtainable without unreasonable effort or expense, necessary to verify the information in the Disclosure Documents. All such questions have been answered to Lender's satisfaction;

17.2 Lender understands that the Shares are being offered and sold without registration under the Securities Act of 1933, as amended (the "Act") or qualification under the California Corporate Securities Law of 1968, or under the laws of other states, in reliance upon the exemptions from such registration and qualification requirements for non-public offerings. Lender acknowledges and understands that the availability of the aforesaid exemptions depends in part upon the accuracy of certain of the representations, declarations and warranties contained herein, which Lender hereby makes with the intent that they may be relied upon by Borrower and its officers and directors in determining Lender's suitability to acquire the Shares. Lender understands and acknowledges that no federal, state or other agency has reviewed or endorsed the offering of the Shares or made any finding or determination as to the fairness of the offering or completeness of the information in the Disclosure Documents;

17.3 Lender understands that the Shares may not be offered, sold, or transferred in any manner unless subsequently registered under the Act, or unless there is an exemption from such registration available for such offer, sale or transfer;

17.4 Lender has such knowledge and experience in financial and business matters to enable Lender to utilize the information contained in the Disclosure Documents, or otherwise made available to Lender to evaluate the merits and risks of an investment in the Shares and to make an informed investment decision with respect thereto.

17.5 Lender is acquiring the Shares solely for Lender's own account and for long-term investment purposes, and not with a view to, or for sale in connection with, any distribution of the Shares; and

17.6 Lender is an "accredited investor," as such term is defined in Regulation D promulgated under the Act.

18. Registration Rights.

18.1 Borrower agrees, at its expense, upon written request from the Lenders, to use commercially reasonable efforts to register under the Act, the Shares and to take such other actions as may be necessary to allow the Shares to be freely tradable, without restrictions, in compliance with all regulatory requirements. A written request for registration shall specify the quantity of the Shares intended to be sold, the plan of distribution and the identity of the sellers, which may include the Lender and assignees of its rights hereunder (collectively, "Selling Securities Holders"), and whether the registration shall be pursuant to an underwritten public offering or a "shelf" registration pursuant to Rule 415 (or similar rule that may be adopted by the Securities and Exchange Commission). Borrower shall not be obligated to file more than two such registration statements, other than registration statements on Form S-3. Borrower shall use commercially reasonable efforts keep such registration statements effective for a period of at least nine months, except that registration statements on Form S-3 shall be kept effective for at least three years (or such lesser period as the parties may agree, but in no event beyond the completion of the distribution or distributions being made pursuant thereto). Borrower shall utilize Form S-3 if it qualifies for such use. Borrower shall make all filings required with respect to the registration statements and will use commercially reasonable efforts to cause such filings to become effective, so that the Shares being registered shall be registered or qualified for sale under the securities or blue sky laws of such jurisdictions as shall be reasonably appropriate for distribution of the Shares covered by the registration statement. Borrower will furnish to the Selling Securities Holders such numbers of copies of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Act and such other related documents as the Selling Securities Holders may reasonably request in order to effect the sale of the Shares. To effect any offering pursuant to a registration statement under this Section, Borrower shall enter into an agreement containing customary representations and warranties, and indemnification and contribution provisions, all for the benefit of Selling Securities Holders, and, in the case of an underwritten public offering, an underwriting agreement with an investment banking firm selected by the Lender and reasonably acceptable to Borrower, containing such customary representations and warranties, and indemnification and contribution provisions. Borrower shall have no obligation to make any cash settlement or payment to the Lenders or any holder of Shares or to issue any additional Shares in the event that Borrower is unable to effect or maintain in effect the registration of the Shares under the Act or any state securities law despite Borrower's commercially reasonable efforts so to do.

18.2 If, at any time, Borrower proposes to register any of its securities under the Act (otherwise than pursuant to Section 18.1 above or on a Form S-8 if such form cannot be used for registration of the Shares pursuant to its terms), Borrower shall, as promptly as practicable, give written notice to the Lender. Borrower shall include in such registration statement the Shares proposed to be sold by the Selling Securities Holders. Notwithstanding the foregoing, if the offering of Borrower's securities is to be made through underwriters, Borrower shall not be required to include the Shares if and to the extent that the managing underwriter reasonably believes in good faith that such inclusion would materially adversely affect such offering unless the Selling Securities Holders agree to postpone their sales until 10 days after the distribution is completed.

18.3 Borrower shall pay the cost of the registration statements filed pursuant to this Agreement, including without limitation all registration and filing fees, fees and expenses of compliance with securities or blue sky laws (including counsel's fees and expenses in connection therewith), printing expenses, messenger and delivery expenses, internal expenses of Borrower, listing fees and expenses, and fees and expenses of Borrower's counsel, independent accountants and other persons retained or employed by Borrower. Selling Securities Holders shall pay any underwriters discounts applicable to the Shares.

19. Legends. The Shares issued pursuant to this Agreement shall bear an appropriate legend, conspicuously disclosing the restrictions on transfer under the Act until the same are registered for sale under the Act. Borrower agrees that upon the sale of the Shares pursuant to a registration statement or an exemption, upon the presentation of the certificates containing such a legend to its transfer agent, it will remove such legend. Borrower further agrees to remove the legend at such time as registration under the Act shall no longer be required.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

This Amended and Restated Revolving Credit Note is one of the Notes described in the Credit Agreement. All capitalized terms not otherwise defined in this Note shall have the meanings defined in the Credit Agreement.

1. Terms of Payment.

(a) **Interest Rate.** Interest shall accrue and be payable at the rate of (a) 10% per annum on the outstanding principal balance of the Loan through October 31, 2007, and (b) 12% per annum on the outstanding principal balance of the Loan from October 31, 2007 until the Maturity Date or such earlier date on which the principal balance is paid in full. Interest shall accrue from the date of each disbursement of principal pursuant to a Draw. Accrued interest shall be paid with principal. Interest will be charged on that part of outstanding principal of the Loan which has not been paid and shall be calculated on the basis of a 360-day year and a 30-day month.

(b) **Payments of Principal.** The outstanding principal balance of the Loan, together with accrued interest, shall be paid in full on the Maturity Date.

(c) **Mandatory Prepayment of Principal.** In the event that Borrower receives Earmarked Funds, Borrower shall use the Earmarked Funds to prepay principal, plus accrued interest, within two business days after such Earmarked Funds are received by Borrower, and the amount of principal so prepaid shall reduce the Maximum Loan Amount.

(d) **Optional Prepayment of Principal.** Borrower may prepay principal, with accrued interest, at any time and the amount of principal so prepaid shall be available for further Draws by Borrower during the Draw Period to the extent that the prepayment of principal was not required under paragraph (c) of this Section 1.

(e) **Default Interest Rate.** In the event that any payment of principal or interest is not paid within five (5) days from on the date on which the same is due and payable, such payment shall continue as an obligation of the Borrower, and interest thereon from the due date of such payment and interest on the entire unpaid balance of the Loan shall accrue until paid in full at the lesser of (i) fifteen percent (15%) per annum, or (ii) the highest interest rate permitted under applicable law (the "Default Rate"). From and after the Maturity Date or upon acceleration of the Note, the entire unpaid principal balance of the Loan with all unpaid interest accrued thereon, and any and all other fees and charges then due at such maturity, shall bear interest at the Default Rate.

(f) **Date of Payment.** If the date on which a payment of principal or interest on the Loan is due is a day other than a Business Day, then payment of such principal or interest need not be made on such date but may be made on the next succeeding Business Day.

(g) **Application of Payments.** All payments shall be applied first to costs of collection, next to late charges or other sums owing Lender, next to accrued interest, and then to principal, or in such other order or proportion as Lender, in its sole discretion, may determine.

(h) **Currency.** All payments shall be made in United States Dollars.

2. **Events of Default.** The following shall constitute Events of Default: (a) the default of Borrower in the payment of any interest or principal due under this Note or the Credit Agreement or any other Note arising under the Credit Agreement; (b) the failure of Borrower to perform or observe any other term or provision of this Note, or any other Note arising under the Credit Agreement, or any term, provision, covenant, or agreement in the Credit Agreement or any other Loan Document; (c) any act, omission, or other event that constitutes an "Event of Default" under the Credit Agreement; (d) any representation or warranty of Borrower contained in the Credit Agreement or in any other Loan Document, or in any certificate delivered by Borrower pursuant to the Credit Agreement or any other Loan Document, is false or incorrect in any material respect when made or given; (e) Borrower becoming the subject of any order for relief in a proceeding under any Debtor Relief Law (as defined below); (f) Borrower making an assignment for the benefit of creditors; other than repayment of the Loan, in whole or in part, to Lenders; (g) Borrower applying for or consenting to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, or similar officer for it or for all or any part of its property or assets; (h) the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, or similar officer for Borrower, or for all or any part of the property or assets of Borrower, without the application or consent of Borrower, if such appointment continues undischarged or unstayed for sixty (60) calendar days; (i) Borrower instituting or consenting to any proceeding under any Debtor Relief Law with respect to Borrower or all or any part of its property or assets, or the institution of any similar case or proceeding without the consent of Borrower, if such case or proceeding continues undismissed or unstayed for sixty (60) calendar days; (j) the dissolution or liquidation of Borrower, or the winding-up of the business or affairs of Borrower; (k) the taking of any action by Borrower to initiate any of the actions described in clauses (e) through (j) of this paragraph; (l) the issuance or levy of any judgment, writ, warrant of attachment or execution or similar process against all or any material part of the property or assets of Borrower if such process is not released, vacated or fully bonded within sixty (60) calendar days after its issue or levy; or (m) any breach or default by Borrower under any loan agreement, promissory note, or other instrument evidencing indebtedness payable to a third party. As used in this Note, the term "Debtor Relief Law" means the Bankruptcy Code of the United States of America, as amended, or any other applicable liquidation, conservatorship, bankruptcy, moratorium, rearrangement, receivership, insolvency, reorganization, or similar debtor relief law affecting the rights of creditors generally.

3. Remedies On Default. Upon the occurrence of an Event of Default, at Lender's option, all unpaid principal and accrued interest, and all other amounts payable under this Note shall become immediately due and payable without presentment, demand, notice of non-payment, protest, or notice of non-payment. Lender also shall have all other rights, powers, and remedies available under the Credit Agreement and any other Loan Document, or accorded by law or at equity. All rights, powers, and remedies of Lender may be exercised at any time by Lender and from time to time after the occurrence of an Event of Default. All rights, powers, and remedies of Lender in connection with this Note and any other Loan Document are cumulative and not exclusive and shall be in addition to any other rights, powers, or remedies provided by law or equity.

4. Miscellaneous.

(a) Borrower and all guarantors and endorsers of this Note severally waive (i) presentment, demand, protest, notice of dishonor, and all other notices; (ii) any release or discharge arising from any extension of time, discharge of a prior party, release of any or all of the security for this Note, and (iii) any other cause of release or discharge other than actual payment in full of all indebtedness evidenced by or arising under this Note.

(b) No delay or omission of Lender to exercise any right, whether before or after an Event of Default, shall impair any such right or shall be construed to be a waiver of any right or default, and the acceptance of any past-due amount at any time by the Lender shall not be deemed to be a waiver of the right to require prompt payment when due of any other amounts then or thereafter due and payable. The Lender shall not be deemed, by any act or omission, to have waived any of Lender's rights or remedies under this Note unless such waiver is in writing and signed by Lender and then only to the extent specifically set forth in such writing. A waiver with reference to one event shall not be construed as continuing or as a bar to or waiver of any right or remedy as to a subsequent event.

(c) Lender may accept, indorse, present for payment, and negotiate checks marked "payment in full" or with words of similar effect without waiving Lender's right to collect from Borrower the full amount owed by Borrower.

(d) Time is of the essence under this Note. Upon any Event of Default, the Lender may exercise all rights and remedies provided for in this Note and by law, including, but not limited to, the right to immediate payment in full of this Note.

(e) The rights and remedies of the Lender as provided in this Note, in the Credit Agreement, and in the Security Agreement and in law or equity, shall be cumulative and concurrent, and may be pursued singularly, successively, or together at the sole discretion of the Lender, and may be exercised as often as occasion therefor shall occur; and the failure to exercise any such right or remedy shall in no event be construed as a waiver or a release of any such right or remedy.

(f) It is expressly agreed that if this Note is referred to an attorney or if suit is brought to collect this Note or any amount due under this Note, or to enforce or protect any rights conferred upon Lender by this Note then Borrower promises and agrees to pay on demand all costs, including without limitation, reasonable attorneys' fees, incurred by Lender in the enforcement of Lender's rights and remedies under this Note, and such other agreements.

(g) The terms, covenants, and conditions contained in this Note shall be binding upon the heirs, executors, administrators, successors, and assigns of Borrower, and each of them, and shall inure to the benefit of the heirs, executors, administrators, successors and assigns of Lender.

(h) This Note shall be construed under and governed by the laws of the State of California without regard to conflicts of law.

(i) No provision of this Note shall be construed or so operate as to require the Borrower to pay interest at a greater rate than the maximum allowed by applicable state or federal law. Should any interest or other charges paid or payable by the Borrower in connection with this Note or the Loan result in the computation or earning of interest in excess of the maximum allowed by applicable state or federal law, then any and all such excess shall be and the same is hereby waived by Lender, and any and all such excess paid shall be credited automatically against and in reduction of the outstanding principal balance due of the Loan, and the portion of said excess which exceeds such principal balance shall be paid by Lender to the Borrower.

(h) **Currency.** All payments shall be made in United States Dollars.

2. **Events of Default.** The following shall constitute Events of Default: (a) the default of Borrower in the payment of any interest or principal due under this Note or the Credit Agreement or any other Note arising under the Credit Agreement; (b) the failure of Borrower to perform or observe any other term or provision of this Note, or any other Note arising under the Credit Agreement, or any term, provision, covenant, or agreement in the Credit Agreement or any other Loan Document; (c) any act, omission, or other event that constitutes an "Event of Default" under the Credit Agreement; (d) any representation or warranty of Borrower contained in the Credit Agreement or in any other Loan Document, or in any certificate delivered by Borrower pursuant to the Credit Agreement or any other Loan Document, is false or incorrect in any material respect when made or given; (e) Borrower becoming the subject of any order for relief in a proceeding under any Debtor Relief Law (as defined below); (f) Borrower making an assignment for the benefit of creditors; other than repayment of the Loan, in whole or in part, to Lenders; (g) Borrower applying for or consenting to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, or similar officer for it or for all or any part of its property or assets; (h) the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, or similar officer for Borrower, or for all or any part of the property or assets of Borrower, without the application or consent of Borrower, if such appointment continues undischarged or unstayed for sixty (60) calendar days; (i) Borrower instituting or consenting to any proceeding under any Debtor Relief Law with respect to Borrower or all or any part of its property or assets, or the institution of any similar case or proceeding without the consent of Borrower, if such case or proceeding continues undismissed or unstayed for sixty (60) calendar days; (j) the dissolution or liquidation of Borrower, or the winding-up of the business or affairs of Borrower; (k) the taking of any action by Borrower to initiate any of the actions described in clauses (e) through (j) of this paragraph; (l) the issuance or levy of any judgment, writ, warrant of attachment or execution or similar process against all or any material part of the property or assets of Borrower if such process is not released, vacated or fully bonded within sixty (60) calendar days after its issue or levy; or (m) any breach or default by Borrower under any loan agreement, promissory note, or other instrument evidencing indebtedness payable to a third party. 3. Remedies On Default. Upon the occurrence of an Event of Default, at Lender's option, all unpaid principal and accrued interest, and all other amounts payable under this Note shall become immediately due and payable without presentment, demand, notice of non-payment, protest, or notice of non-payment. Lender also shall have all other rights, powers, and remedies available under the Credit Agreement and any other Loan Document, or accorded by law or at equity. All rights, powers, and remedies of Lender may be exercised at any time by Lender and from time to time after the occurrence of an Event of Default. All rights, powers, and remedies of Lender in connection with this Note and any other Loan Document are cumulative and not exclusive and shall be in addition to any other rights, powers, or remedies provided by law or equity.

4. Miscellaneous.

(a) Borrower and all guarantors and endorsers of this Note severally waive (i) presentment, demand, protest, notice of dishonor, and all other notices; (ii) any release or discharge arising from any extension of time, discharge of a prior party, release of any or all of the security for this Note, and (iii) any other cause of release or discharge other than actual payment in full of all indebtedness evidenced by or arising under this Note.

(b) No delay or omission of Lender to exercise any right, whether before or after an Event of Default, shall impair any such right or shall be construed to be a waiver of any right or default, and the acceptance of any past-due amount at any time by the Lender shall not be deemed to be a waiver of the right to require prompt payment when due of any other amounts then or thereafter due and payable. The Lender shall not be deemed, by any act or omission, to have waived any of Lender's rights or remedies under this Note unless such waiver is in writing and signed by Lender and then only to the extent specifically set forth in such writing. A waiver with reference to one event shall not be construed as continuing or as a bar to or waiver of any right or remedy as to a subsequent event.

(c) Lender may accept, indorse, present for payment, and negotiate checks marked "payment in full" or with words of similar effect without waiving Lender's right to collect from Borrower the full amount owed by Borrower.

(d) Time is of the essence under this Note. Upon any Event of Default, the Lender may exercise all rights and remedies provided for in this Note and by law, including, but not limited to, the right to immediate payment in full of this Note.

(e) The rights and remedies of the Lender as provided in this Note, in the Credit Agreement, and in the Security Agreement and in law or equity, shall be cumulative and concurrent, and may be pursued singularly, successively, or together at the sole discretion of the Lender, and may be exercised as often as occasion therefor shall occur; and the failure to exercise any such right or remedy shall in no event be construed as a waiver or a release of any such right or remedy.

(f) It is expressly agreed that if this Note is referred to an attorney or if suit is brought to collect this Note or any amount due under this Note, or to enforce or protect any rights conferred upon Lender by this Note then Borrower promises and agrees to pay on demand all costs, including without limitation, reasonable attorneys' fees, incurred by Lender in the enforcement of Lender's rights and remedies under this Note, and such other agreements.

(g) The terms, covenants, and conditions contained in this Note shall be binding upon the heirs, executors, administrators, successors, and assigns of Borrower, and each of them, and shall inure to the benefit of the heirs, executors, administrators, successors and assigns of Lender.

(h) This Note shall be construed under and governed by the laws of the State of California without regard to conflicts of law.

(i) No provision of this Note shall be construed or so operate as to require the Borrower to pay interest at a greater rate than the maximum allowed by applicable state or federal law. Should any interest or other charges paid or payable by the Borrower in connection with this Note or the Loan result in the computation or earning of interest in excess of the maximum allowed by applicable state or federal law, then any and all such excess shall be and the same is hereby waived by Lender, and any and all such excess paid shall be credited automatically against and in reduction of the outstanding principal balance due of the Loan, and the portion of said excess which exceeds such principal balance shall be paid by Lender to the Borrower.

If required under applicable law, Secured Party may be the purchaser at any public sale. Ten days notice of any public or private sale or other disposition shall be considered to be reasonable notice.

9. Disposition of Proceeds. After satisfaction in full of the Secured Obligations, the balance of the proceeds of sale then remaining shall be paid first to satisfy obligations secured by any other subordinate security interests or subordinate liens (including but not limited to attachment liens and execution liens) in the Collateral as provided in the California Commercial Code, and then any remaining balance of the proceeds shall be paid to the Debtor.

10.1 Secured Party shall fail or cease to have a first priority perfected security interest in the Collateral or any part of the Collateral unless caused by any action taken by Secured Party;

10.2 Debtor defaults in the performance of any covenant or agreement contained in this Agreement;

10.3 Debtor defaults in the payment or performance of any Secured Obligation;

10.4 An Event of Default as defined in the Notes has occurred with respect to any of the Notes; and

13. Notices. All notices and other communications required or permitted to be given pursuant to this Agreement shall be in writing and shall be deemed given four (4) days after being deposited in the United States mail, certified postage prepaid, return receipt requested, or when delivered by hand, by messenger or express air freight service to the address for notice shown in the Credit Agreement. Any party may change its address for notice by giving notice to the other party in the same manner as provided in this section.

14. Governing Law. This Agreement shall be governed by and construed under the laws of the State of California without regard to conflicts of law. Where applicable and except as otherwise defined in this Agreement, the terms used in this Agreement shall have the meanings given them in the California Commercial Code.

15. Attorneys Fees and Costs of Enforcement. Debtor agrees to pay all reasonable attorneys' fees incurred by Secured Party in connection with enforcement of any of Secured Party's rights and remedies under this Agreement, whether or not any proceeding is commenced to enforce or protect such rights and remedies. All advances, charges, costs, and expenses, including without limitation, reasonable attorneys' fees, incurred or paid by Secured Party in exercising any right, power, or remedy conferred by this Agreement, or in the enforcement thereof, shall be added to and shall become a part of the Secured Obligations, payable by Debtor on demand with interest thereon at a rate of interest equal to the lesser of: (i) the rate provided in the Note for interest payable after an Event of Default, or (ii) the maximum rate of interest permitted by law.

16. Waivers by Debtor. Debtor expressly waives any right to require Secured Party to (a) proceed against any person, (b) marshal assets or proceed against or exhaust Collateral or any part thereof, or (c) pursue any other remedy in Secured Party's power; and Debtor waives any defense arising by reason of any disability or other defense of any other person or entity, or by reason of the cessation from any cause whatsoever of the liability of Debtor or any other person or entity. Debtor consents and agrees that Secured Party may, at any time and from time to time, without notice or demand, and without affecting the enforceability or continuing effectiveness of this Agreement: (i) accept new or additional instruments, documents, or agreements in exchange for or relative to any or all of the Secured Obligations; (ii) accept partial payments on or partial performance of any or all of the Secured Obligations; (iii) receive and hold additional security or guaranties for any or all of the Secured Obligations or any part thereof; (iv) release, reconvey, terminate, waive, abandon, fail to perfect, subordinate, exchange, substitute, transfer, and enforce any security or guaranties; (v) apply any Collateral or other security and direct the order or manner of sale thereof as Secured Party may determine; (vi) consent to the transfer of any Collateral or other security for any or all of the Secured Obligations; and (vii) bid and purchase at any sale of Collateral.

17. Cumulative Rights of Secured Party. The rights, powers, and remedies given to Secured Party by this Agreement shall be in addition to all rights, powers, and remedies given to Secured Party by virtue of any statute, rule of law, or any other agreement between Debtor and Secured Party. Any forbearance or failure or delay by Secured Party in exercising any right, power, or remedy under this Agreement shall not preclude the further exercise thereof; and every right, power, and remedy of Secured Party shall continue in full force and effect until such right, power, or remedy is specifically waived by an instrument in writing signed by Secured Party.

18. Termination. Secured Party's security interest in the Collateral shall terminate upon the satisfaction in full of all Secured Obligations, and at that time Secured Party shall return to Debtor all Collateral then in Secured Party's possession.

19. Power of Attorney. Debtor hereby irrevocably appoints Secured Party as attorney-in-fact of Debtor, with full power of substitution, to sign any document necessary to transfer title to any of the Collateral and to do all acts necessary or incident to the powers granted under this Agreement to Secured Party, as fully as Debtor might, including without limitation, the execution and recordation of any claim of lien on behalf of and in the name of Debtor.
